Coffee and a chat

- You may be just diagnosed, or have had vitiligo a while
- You may have family with vitiligo, or know nobody else with vitiligo
- Vitiligo Support UK is a registered charity offering support, advocacy and information to the 1% of the population with vitiligo, their family and friends.
- We run MeetUps every month for a coffee and a catch up - see dates and times on the MeetUp app, or on the right
